DESIGN

Creating a new way of living

Arranging a free home design visit with one of our experts is the first step to creating your dream kitchen.

They will discuss your requirements, take measurements and then invite you to our showroom for a presentation of your kitchen design concepts. You will be shown drawings and a 3D visual walk-through on our large flat screen display while we chat it through over a fresh coffee.

A range of doors styles, handles, worktops and accessories are all available to browse at our showroom, giving you added **inspiration** should you need it.

Your choice of kitchen usually starts with the style of door and handle. Shaker kitchens and in-frame kitchens offer a traditional panelled look, whilst modern doors offer a smooth finish.

You will be shown drawings and a **3D walk through** on our large flat screen display at our showroom where you can make those subtle changes to fit your lifestyle.

In addition to **150+ stock colour finishes**, many of our fabulous designs are also available in a choice of bespoke colours to bring a more personalised feel to your new kitchen and better reflect your particular tastes.

MANUFACTURING

Built better to last longer

All our kitchens are constructed in our factory with obsessive attention to detail.

Established in 2002, we have built an enviable reputation for not only creating beautiful bespoke kitchens but also by offering the kind of customer service that others can only aspire to.

*All of Hampton kitchens come with a **Lifetime Guarantee** on carcasses. Hinges and drawer runners supplied by Blum are guaranteed for life. Terms and Conditions apply.

All of Hampton's kitchens are **built better to last longer**. Hand finished 18mm rigid colour coded carcasses, glued and dowelled with 18mm solid backs and 2mm edging.

INSTALLATION

Transforming the space you love

When it comes to transforming your home, we're one company you can rely on to get everything done. Our kitchens team **collaborate closely** with our other services to produce kitchens to be proud of.

Timeless kitchen project

This Victorian house added a beautiful shaker style kitchen, blended with traditional styles and state of the art appliances to ensure it now has an elegant, **Timeless** kitchen, fit for 21st century family living.

Modern kitchen project

This exquisite kitchen is a bespoke design for an ultra-modern eco home. Showcasing a handleless finish, integrated lighting, and Neff appliances, it is truly a **Modern** showpiece kitchen.

Timeless kitchen collection

When it comes to achieving the ultimate look for your kitchen, The Hampton Timeless collection offers a traditional finish and can be made from different material types, each with subtle aesthetic differences.

Worktops

We offer a wide variety of worktops in various colours and shades, allowing you to get the best look for your kitchen.

Beautiful man-made materials that are a combination of natural minerals and resin to give you a strong and hard-wearing surface that resists germs and bacteria.

Appliance options

We supply and fit your integrated appliances, from cookers, induction hobs, fridges, dishwashers and washing machines. We offer the latest in appliance innovations, including Slide and Hide ovens, venting hobs and smart features such as Home Connect which are all popular choices.

Enjoy entertaining? Accessorise with integrated wine coolers, ice cube troughs, and wine racks.

We make dream kitchens a reality

Choose from a comprehensive range of cutting edge appliances from top brand manufacturers which are all designed to add that extra spice to your kitchen.

And, if you feel the need to take the steam out of your cooking then why not consider a stylish venting hob.

Lighting solutions

Whether it's pendant or ceiling lights to lights under cupboards and worktops. Installing the right lighting is one of the most important elements to ensure you create the perfect ambiance in your new kitchen space.

Customer journey

STEP 1 ENQUIRY

Upon contacting the Hampton Group, we shall arrange an initial visit to inspect and survey your property. This includes a consultation whereby we discuss the desired options for materials, appliances and styles.

STEP 2 CAD & QUOTE

Within five working days, we will produce your bespoke CAD and quotation for review. This review will be booked and presented in our showroom Design Centre.

STEP 3 TAILORING & AMENDMENTS

Post showroom presentation, we will make any required changes to the CAD and quotation to ensure cost clarity and design satisfaction.

STEP 4 ORDER CONFIRMATION

Deposit and order form completion, when you are happy to proceed we will require a 30% deposit and talk you through our contract and terms and conditions.

STEP 5 PROJECT PLANNING & SCHEDULE

A detailed handover takes place involving the assigned Project Manager. A project schedule is compiled which details expected start and end dates and everything in-between.

STEP 6 PRODUCTION & BOOKING

A final measure will take place and your order will be placed in our very own factory. Your Project Manager will liaise with you our fitters to book a fit date.

STEP 7 FITTING DAY

Fitting day arrives. We will fit your new kitchen, apply the Hampton Kitchens "Special Touch" to your home and you will finally see your vision come to life!

STEP 8 REVIEW & FEEDBACK

Your Customer Relations Manager will visit to ensure all is well and gather the required information post install. Any feedback at this point is always warmly received.

The next step...

Book your home design visit

Arranging a free home design visit with one of our experts is the first step to creating your dream kitchen. They will discuss your requirements, take measurements and then invite you to our showroom for a presentation of their kitchen design concepts. You will be shown drawings and a 3D visual walk-through on our large flat screen display to discuss over a fresh coffee.

To book your appointment, call:
